## Challenge Program honors kids

### For Our Town

The Challenge Program, Inc., recently announced it has issued awards to dozens of students in Cambria and Somerset counties for their participation and success in the program during the 2006-07 school year.

"These students exemplify the very core values of The Challenge Program," explained Barb Grandinetti, executive director of The Challenge Program. "Each

individual honored by the program is an example of the potential that lies inside all of our young people."

Students in grades 10, 11 and 12 participate in the program and awardees are recognized for exemplary efforts in the following four categories: Most Improved Academically, Best Attendance, Most Community Service and Best Overall GPA.
