

CAREER READINESS AND WORKFORCE DEVELOPMENT

Springdale High School/ HarmarVillage Care Center

HarmarVillage Care Center, business partner to **Springdale High School** in Allegheny County, brought students from the 10th, 11th and 12 grades to tour HarmarVillage (above) and their Amber Woods facility. Students participated in cognitive activities with residents and staff. Between the tour and the activities was a lunch and learn session. Department heads from Nursing, Physical, Occupational and Speech Therapy, Social Services, Activities, Marketing and the Business Office spoke to the students about their respective job responsibilities, career paths, and the required education and training for their positions as well as the culture of their departments and student volunteer opportunities.

Quality Life Services Henry Clay and Markleysburg facilities hosted students from Fayette County Career & Technical Institute. Presentations and tours were given by Administrators and Department Representatives from the following areas **regarding job opportunities and career paths**:

Fayette CTI/ Quality Life Services Henry Clay Quality Life Services Markleysburg

- Nursing
- Housekeeping
- Human Resources
- Facilities Management
- Social Services
- Rehabilitation

1st Summit Bank representatives spoke with students about the education and career paths they took to achieve their positions and what they liked about working in their departments. Students heard from employees holding positions in the following departments:

Richland High School/ 1st Summit Bank

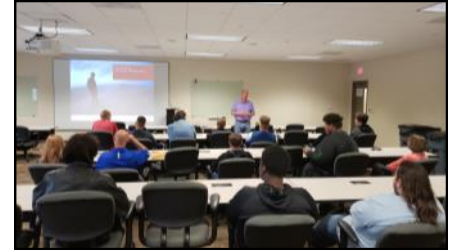

- Marketing/Public Relations
- Customer Service
- Human Resources
- Accounting
- Information Technology

Halliburton representatives provided Zanesville High School students a day filled with the following:

**Zanesville High School/
Halliburton**

- An overview of Halliburton’s industry and operating footprint
- **Employment Opportunities and Career Paths**
- A Facility Tour
- A Question and Answer session with employees

Range Resources offered the culinary students from Western Area CTC an opportunity for **professional work** while giving back to the community at Range Resources “Dress for Success” event.

The students experience included:

**Western Area CTC/
Range Resources**

- Hands-on event-planning
- Planning and executing the menu
- Serving guests at the event

UGI Utilities, Inc., an active partner with West Side CTC, has provided the school and students with the following:

**West Side CTC/
UGI Utilities, Inc.**

- Career Fair participation
- Advisors for the school’s HVAC & Electrical Occupational Committees
- Telephone poles for the student safety course
- Training center tours for interested students who experienced hands-on exploration and witnessed a controlled natural gas explosion

Taylor Allderdice Jazz Combo

Pittsburgh, PA

The Marquis Group, Business Partner

Workforce development and career-readiness doesn’t stop at tours, lunch and learns and career fairs. For the Taylor Allderdice Jazz Combo, it was a paid professional experience. The Challenge Program, Inc. hired the Jazz Combo, made up of all Allderdice seniors, to play during its recent Crystal Owl Gala at the Heinz History Center on April 26, 2018.

The Musicians:

- Seth Reisz, Guitar
- Evan Rubin, Bass
- Ari Wynn, Keyboards
- Mike Stolarz, Drums

Jazz Director:

Mr. Brian Lee
