WEST UNION — Students at Doddridge County High School were recently introduced to The Challenge Program Inc. during a kick-off assembly at their school. The assembly theme was a team project dramatization that demonstrated positive and negative workplace behaviors to help students succeed on-the-job.

During the assembly, students in the sophomore, junior and senior classes were introduced to local career opportunities. Throughout the year, they will be eligible to compete for financial awards in five areas linked with academic and workplace success: Attendance, Academic Improvement, Academic Excellence, STEM (science, technology, engineering, math) and Community Service. MarkWest Energy Partners and Antero Resources are the business partners at the school for 2015-2016.

## Doddridge High kicks off Challenge Program

Challenge Program Inc. business partners and award winners were recognized for their work during the previous academic year at Doddridge County High School. Kneeling are Isaac Pringle, sophomore community service, and Haley Stephenson, junior attendance. Standing from left are Rob McHale with co-sponsor MarkWest Energy Partners; Kerri Swiger, sophomore academic excellence; Ryan Stackman, sophomore attendance; Nicole Mossor, junior academic improvement; and Kevin Ellis with co-sponsor Antero Resources. Not pictured are Cheyenne Currey, junior STEM Award; Teresa Hart, junior community service; Lauren Lunemann, junior academic excellence; Jonathan Wesley Myer, sophomore STEM Award; and Jamie Ross, sophomore academic improvement.
