The Challenge Program Inc. will hold its inaugural Polytechnic Career Awareness event from 5:30 to 7 p.m. Tuesday in the cafeteria and large group instruction room at Richland High School, 1 Academic Ave.

The event is to introduce parents and students to careers available in the area from industries ranging from manufacturing to construction and health and social care.

Professionals will be on hand to discuss appropriate training and education needed.

Keynote speaker will be Ed Legge from state Department of Labor & Industry, who will discuss the evolving landscape of the employment market.

The event is free and open to the public. Registration is suggested.
