

THE CHALLENGE PROGRAM, INC.

Connecting Business and Education

The Challenge Program, Inc. mission is to build sustainable Business/Education partnerships while introducing students to careers in their communities. These partnerships contribute to workforce and economic development by motivating students to develop the habits required to succeed in school and in their future careers.

The Challenge Program challenges students in grades 10, 11, and 12 to compete for an award to increase their success in and beyond the classroom.

- Our Presentations connect The Challenge Program's five award categories with solid habits required for success.

ATTENDANCE STEM COMMUNITY SERVICE ACADEMIC IMPROVEMENT ACADEMIC EXCELLENCE

- The Challenge Program, Inc. is sponsored by a local business in each school, to connect students to the real career options within their community and the paths to education and/or training to enter these careers.
 - Five students from each the 10th, 11th, and 12th-grade, will receive a \$200 cash award for each of the five categories.
 - All students are eligible to earn an award regardless of their past academic history.
